

"The World's Busiest Gondola Lift"

Hakone Ropeway receives Guinness World Record™ certification!

At an annual total of 2,010,059 paid passengers (figures from FY2008), Hakone Ropeway received Guinness World Record™ certification in July 2009 as "Busiest gondola lift (ropeway used by the largest number of passengers)". With the Sounzan - Owakudani Line opened in 1959, followed by the Owakudani - Ubako - Togendai Line in 1960, Hakone Ropeway boasts a world-class total length of approximately 4km. Be sure to come and experience the "world's" most popular aerial walk!
